My summer is winding down and I haven't had my fun this year. Seems like older people have moved into the apartment complex. Then one day I met Vanity laying by the pool.

Kylie & Vanity

She was young, sweet and willing.

We spent some time together and then one day it happened. We became lovers.

We love being around each other and fucking each other. I love Vanity's soft smooth skin and freshly shaved pubes. Her pussy is tight and I love the way it tastes. She likes fucking me and I like the way she does it. Maybe this summer will be worthwhile, at last.

My passion for sex started when I was living in Europe. I had just split with my husband for twenty years and went to live in France. I met many great men there and fucked most of them. They showed me things that I had never seen or done in twenty years. Since then, I've been much more sexual – and much more willing.

I just love the fact that it's always warm here in Arizona. I used to live in Montana and the problem for me was that I loved to fuck outdoors. The summers were great, going to the mountains and spending the day naked and sucking and fucking.

Hanny

There were times when the sex we had out there made Pam and Tommy's sex romps seem like a church outing! But now in Arizona, I can do it almost every day!

I love the fact that almost every home here in Scottsdale has a pool. I get to fuck all day and then take a dip in the pool. Or at night it's nice to fuck in the cool evening air and then jump into the heated pool. Now I'm living the Arizona lifestyle and this weekend we have an all naked pool party. This will be our third one this year and more and more people have been showing up. What a fun, fun night that will be!

To the editors,

I'm a few years short of retirement and decided to quit my job and head for the beaches in South Florida. I decided on the west coast, settling a little north of St. Petersburg, on the Gulf Coast. It's a smaller town with several mid-size hotels lining the beaches on the Gulf. I took a job as the day manager. I had some experience in that area when I lived on the New Jersey Shore. It's relatively new with great ocean views and a large swimming pool and twenty person Jacuzzi. The visitors we get are a mix of every age, race and culture. I love the mix because it makes for great conversations with my guests.

One Monday morning, I noticed a couple of women who'd been by the pool every day for the last five. It was part of my duties to make sure the pool and the grounds around it were clean for the guests. I'd check it every morning around nine and these two were there each day except yesterday, Sunday. I assumed they had

Dear 50+ Editor,

I'm writing to say that I find Tabitha is totally fine! She seems like a fun lady and a great fuck. For being over fifty, she's got great boobs (even if they're augmented) and a great lithe body. No middle age spread on that girl. And I like the way she fucks in the photos and in the video. It looks like she's really enjoying herself. She like to please the guy and likes to get pleased herself. She's obviously not shy because she allows herself to be shot, so I know she must be adventurous in the sack. Just my kinda gal. Even though I probably will never meet her, I just want to say that I'm glad she's in pictures, and in my dreams.

— Riley, Baltimore, MD

checked out, or maybe slept in, or maybe even went to church.

It seemed like they could be mother and daughter, as one looked to be in her mid-twenties while the other was, maybe, fifty or so. I shuffled over to them and introduced myself as the manager and asked if there was anything I could get for them. Typically another employee would come out to service the guests, but today, I was doing it. They smiled and in unison asked for some iced tea. I said 'right away' and headed off. Upon returning, I noticed them on their stomachs on the loungers with their bikini tops undone. I put the drinks down on the table between them, and notices tanning lotion on it, too.

After a couple 'thank yous' from them, the younger one asks if I would lotion their backs. I take the tube and squeeze some out on my hands, rub them together to warm it up and begin applying to her back. She moves over to the side

of the lounge to make some space for me to sit, which I do. I gently rub it into her skin, being sure to cover her properly, because we don't want our guests to burn in the Florida sun.

I look over and the older lady is looking at me and smiling. I ask her where are they from and she says, Asbury Park. Immediately I perk up even more and tell them I'm from the Bay Head, just down the shore. Well, that

name was David. They said they were visiting for a wedding in St. Pete but didn't want to stay in the city. They were friends of the bride, but not related to her or each other. The wedding was on Wednesday and they would be leaving the next day.

I was finishing rubbing lotion on Beth when she rolls over, her bikini top staying on the lounge, and her boobs brushing my arm as she moved. Startled, I looked away,

over in the back corner and asked if we could go over there. I said that it was probably okay and they grabbed their tops, bags, and towels. I grabbed the lotion and teas.

We three enter and they settle into the lounge beds and I put the things in my hands on the table that was there. Beth settled in and says, "Now David, where were we?" I squeezed more lotion on hands, but forgot to warm it up, and when I put it

with her nipples standing out. I just continued working the lotion until I got to her breasts and nipples and slowly massaged then with my slippery hands. Her nipples got harder and longer as rubbed the around them.

By now, her hand had dropped to her bikini bottoms and it wasn't long before a damp patch was appearing. I decided to start putting the lotion on her thighs and legs at which point I felt her hand on my shorts. I felt her slip one hand under my pant leg and take out my now semi-erect cock and starting stroking it. She told me to pull her bottom to one side. I looked over at Marianne and she was watching intently and nodded her approval.

I pull them down and Marianne gets up and pushes my head down onto Beth's mound. I let my tongue work its way onto her moist clit and with my other finger worked into her wet pussy. I was now really beginning to enjoy this. Beth spread her legs wider for me as I sucked and licked her clit feeling it swell in my mouth. She tasted great so clean and sweet.

got them to talking and after finishing the younger one, I started on the other. They introduced themselves as Beth (the older one) and Marianne (the young one), and I said my

and she asked if I would do her chest. I told her I probably shouldn't here at the pool in full view of everyone that could be looking. Marianne sat up, bare-boobed, too, and pointed over to a cabana

on her belly she squealed that it was cold. Marianne laughed and then we all did as I 'apologized.' Beth asked if I'd resume on her front as she was enjoying being pampered. There I was, staring at her breasts

She then squirmed her way off the day bed and as she pushed me down and yanked my pants off, I felt her take me in her mouth and with that she was on top. With that move, I now had two hands holding her ass as my tongue worked on her pussy and clit. I couldn't help but admire her beautiful ass. She squirmed and told me to be careful. She would cum if I put my tongue or finger in it.

I obeyed for a moment, but gave in and I just couldn't help but let one finger slip into her ass as I sucked on her clit. True to her word, she exploded into climax and clamped her legs tighter around my neck. By now I just wanted to fuck her. I was hard, horny and wanted to fill her pussy with cock.

But, Marianne asked if it could be her turn. She dropped her bottoms and laid on her back with her ass to the edge and her legs on the floor. She opened her legs and started rubbing her pussy, sticking fingers in and then to her mouth to lick them. I went over to her, dropped a pillow on the floor and got on my knees in front of her. I wanted to fuck her right away, but decided that she might

want her pussy licked first. I lowered myself into position and looked as her beautiful young breasts disappearing as my view was replaced by her gleaming perfectly bald pussy. I felt some stubble as I began my mouth's mission, but that only added to the excitement. I tongue and finger-fucked her until she grabbed my head, pulled me up and told be to stick my cock into her. I fucked her young, wet pussy.

For a good ten minutes I did her, and shortly she was moaning and groaning, and then climaxed hard. I hadn't cum yet, but that was soon to be fixed. Beth came over, grabbed my hips and pulled me out of Marianne. She looked me in the eye and said, "I want you to fuck me in the ass."

as Marianne moved to the head of the bed and Beth crawled onto it, head and elbows down and ass up. I lubed up my fingers in her pussy and worked them into her ass. Once she was comfortable with that I put the tip of my cock in. She smiled and I pushed harder. She turned back to me and said, "I like getting fucked hard."

I did as I was asked. After a few minutes she came in a series of orgasms that seemed to build on top of each other. Finally she was cumming so hard that she just kept her head down and muffled her screams into the bed. Each time she came it made her ass get tighter around my cock until I finally couldn't take anymore. Marianne had laid down next to us so I pulled out and shot my load into her

open mouth pulling my cock in and swallowing it all in two big gulps.

I slipped myself off the fuck bed and stumbled over to the other one. I laid on my side as I watched them begin to kiss and lick each other. I slowly put my clothes on, watching them as I did and sadly said I had to get back to managing the hotel. They said they'd be back in a couple months and wanted to be sure I was still here. I was.

— David, Indian Shores, FL

This summer I went back to college. Actually, it was night school at the community college, because I've always had a fascination with jewelry making. The course was fun and Cheyne was a great teacher. I'd stay after class a few times to get a little extra encouragement and we became friendly.

Then after one of our Friday night classes, I invited him out for a drink. Later that night, he came home with me. Yes, we did it.

I would have become a sailor but I didn't want to make waves.

we all have daisy to thank for this

the cruise has ended the fun has begun

AFTER A LONG DRIVE, WHAT ELSE IS THERE TO DO BUT GO TO BED, AND WATCH.

After three hours of driving this damn SUV, I was finally getting to Amelia's house. We had been on a Caribbean cruise for a week and it felt great to get our legs back on land. We disembarked early, about 9 am and by eleven we were on the road back home. We decided to stop in Daytona Beach for lunch and some drinks – except for me – designated driver. By the time we finished our meals and a lot of freely flowing booze, I corralled everyone and literally pushed them into their seats in the SUV. Amelia was the least wasted of the group, besides me. I pulled into the driveway of her mini-mansion and suddenly a light came on from a sensor over the garage. I parked the car in the driveway, Burke got out of the front passenger seat and opened the door for Hollie who was sitting behind him. I got out and opened the door behind me. Apparently, Daisy was leaning on the door when I opened it and almost fell out onto the driveway asphalt, but didn't seem to hurt herself. Amelia got out and bent over to help her up, and grunted as she pushed Daisy upright against the car.

Amelia is about 5 foot six, well built with light brown hair and a fun personality. For fifty-two, she still has

great, full breasts, even if they're fake; and a thin waist that sits on top of a full ass. Her lips are always moving thanks to her constant jabbering.

Daisy, on the other hand was the shy one of the group, until she got some alcohol into her. She doesn't know when to stop and always seems to be needing some sort of help getting her self home. Fortunately for us, she rarely pukes. Burke went around to help with Daisy. Amelia looked at him from the opposite side of Daisy and smiled, he really is a gentleman. She always

thought that Burke was cute but was afraid that he was like the other guys, get the girl drunk, rub up against her, fuck for thirty seconds and fall asleep. She hoped she was wrong.

Hollie was Burke's current girlfriend. She got the keys from me and went and opened the door. Burke and Amelia were holding Daisy up as they climbed the

front steps. When they got inside, they leaned Daisy against the wall and Hollie rushed off to the kitchen to get a wet cloth to put on Daisy's forehead. Daisy was put on the sofa and laid down. Amelia unbuttoned a couple buttons on her blouse so her clothes would not be too binding. Hollie came in with a small

Amelia stripped Daisy's blouse off and then her bra. She took a moment to rub the bra lines on Daisy's boobs and gave them a quick squeeze as she looked at Burke.

towel, folded and soaked, and put it on Daisy's forehead. Water dripped down her temples and into her ears. That made Daisy bolt up and try to dry them. Burke helped Daisy pulled herself up and held on. They followed Amelia up the stairs to the room that Daisy would be recovering in.

Amelia motioned to the second doorway on the left and opened the door for them. Daisy was led to the bed and plopped down on it. Amelia started to undress her and then realized Burke was standing there watching. "Well?!?" she quizzed. "Get over here and help me." Burke pulled off her boots as Amelia worked her upper body. "Sit her up for me." she asked and Burke grabbed under her armpits helping her up. Amelia stripped Daisy's blouse off and then her bra. She took a moment to rub the bra lines on Daisy's boobs and gave them a quick squeeze as she looked at Burke. Amelia set her back down as Burke went back to her feet and grabbed the hems of her pants, pulling them off in one long hard pull. "I'll finish." said Amelia as she pushed Burke away and grabbed Daisy's panties and pulled them off. Burke found a light blanket on a chair, unfolded it and threw it over Daisy. "Let her sleep." said Amelia and they left the bedroom. Pointing to the door next to the bedroom, Amelia says, "You and Hollie can have that room."

Amelia led the way back down the stairs and into the kitchen. Hollie had poured each a double shot. Amelia and Burke grabbed their glasses and all three together downed their shots. "I think that's plenty for all of us." said Hollie. "We don't want to get shit-faced like Daisy. Who'll be left to carry us up the stairs?" They all laughed. Hollie grabbed each one's hand and pulled them out of the kitchen and into the living room. I followed and plopped myself down on a side chair. Amelia went over and turned on the TV and began flipping through channels. She'd pick a show, but when it went to commercial, she would look for something different and after a couple of minutes she'd get bored and go back to channel surfing. After some time of this Amelia handed the remote to Hollie who had been flirting with Burke. He said "We've seen everything on the tube." But just then Hollie landed on a porn movie, Burke stopped

with his mouth half open. Hollie looked at him and laughed at his expression. Amelia blurted out that she was starting to lose it and better get up the stairs before she couldn't stay up anymore. Hollie turned to Burke when Amelia's footsteps receded up the stairs. Wasting no time, she leaned in and kissed him and he returned the affection along her cheek and when he reached her mouth he kissed her upper lip and then sucked on it gently. I think they forgot I was there so I stayed quiet as a mouse taking it all in.

After the last kiss, he brushed his tongue along her lips. Hollie pulled him closer and kissed him full on

the mouth; pushed her hot tongue into his mouth and flicked it back and forth on the tip of his. When she pulled her tongue back, Burke sucked on her lower lip and then ran his tongue over the inside of it. Hollie pushed him away, stood up off the sofa and undressed, releasing her full, firm succulent breasts and her glistening pussy. They still hadn't notice me.

Burke stood and grabbed her by the shoulders, lowering her butt down on the sofa. He kneeled down and pulled one of her legs over his shoulder and dove right in to her slick pussy. He licked up and down her slit and whenever he reached her soaking wet hole he pushed his tongue in. Burke came up to her clit and started to lick it, while he slowly slipped his middle

She began to thrust her hips up to meet his downward ones. Again he felt her pussy tighten around his cock so he kept pumping into her.

and ring finger into her pussy. Burke then sucked on her clit and curled his fingers up and started to slide them in and out. Burke soon felt a rush of Hollie's juices and he lapped them up as they came out. Hollie whispered "Let's go upstairs and do it right." She held out his hand to pull her up and grabbed her clothes off the floor.

Hollie headed towards the stairs as he looked at her butt in the subdued light. She turned around when she noticed that he wasn't following her and bounced on her toes which in turn made her lovely boobs bounce. She grabbed Burke's hand and they went up the stairs to their room. They didn't bother turning on the light as there was already a lamp turned on in the corner of the room. Hollie pulled back the covers and threw them off the bed. Burke stood at the bottom and took off his remaining clothes. She messed

nipped his shaft with her teeth as she ran them on his shaft. Standing there he reached down and rubbed her pussy lips. Almost automatically, her legs spread and he slipped his hand between her legs. She sucked, he fingered. They moaned in pleasure. I watched.

Hollie then says, "Baby, I want that huge cock inside me. Now!" He positioned himself on the bed between her legs and slowly pushed in a couple inches and then pulled out. He felt her pussy tighten around his cock as Hollie closed her eyes and threw her head back moaning softly. As he pumped into her, Burke leaned down and licked circles around her nipples. Hollie came quickly and as her orgasm subsided she grabbed his ass and slowly scooted back on the bed while keeping his cock inside her pussy. When they were in a comfortable position Burke started thrusting again but harder this time. She began to thrust

her hips up to meet his downward ones. Again he felt her pussy tighten around his cock so he kept pumping into her.

He looked down at Hollie's face and saw her eyes tightly closed and her mouth slightly gaped. The sweat glistening on her body, her tits bouncing every time he thrust himself into her. Hollie opened her eyes and dug her nails into his butt cheeks. That pushed him over the edge. When Burke stopped thrusting, she got down next to his cock and licked up the remaining cum. A moment later we heard a soft moaning coming from the corner of the room. As our eyes adjusted in the low light, we saw a silhouetted

body with a soft glisten of sweat. I stayed quiet.

She stood up and walked over to the bed. She was naked, and she was Daisy. Hollie patted the empty space on the other side of Burke and Daisy climbed in. Still wobbly and obviously horny, Daisy cuddled into Burke's chest, looked down and began to rub his cock. Hollie pulled Daisy's head over and they kissed over his chest. "I don't think I'm going to get any sleep tonight." said Burke as their lips met right under his nose. I stood there quietly, watching.

with the pillows for a moment and then leaned back on them and curled her finger a couple times motioning him over to her. Apparently, they're still unaware of me, standing just inside their door.

He walks over to her and she slides her hand under his balls, pulling his hips and very stiff cock over to her waiting mouth. She licked up and down his long shaft. Burke threw his head back enjoying the feeling of her tongue running up and down his length. She'd swirl her tongue around the head and gently

I just got back from a two week holiday to the south of France with my girlfriend. I stayed with my boyfriend at a house in Nice, when he wasn't off to business in Morocco. We had the house all to ourselves and took advantage of it. We fucked in every room.

Anastacia

There were balconies overlooking the ocean and we'd fuck out there too. I'd lean on the railing looking at the great view and he'd be behind me, fucking me and looking at my great view!

On the flight home, all I could think about was him. I wanted his cock and I wanted it really bad. I wanted to wrap my lips around the smooth head and lick up and down his long, hard shaft until I could feel his cum spurt into my mouth. Then take that perfect cock and shove it deep into my wet pussy until it was my turn to cum. And... I just did all that and you get to see the pictures and watch my video, too.
